**Proposal for a regulation**

**Article 4 – paragraph 2**

*Text proposed by the Commission*

2. Hosting service providers shall remove terrorist content or disable access to it ***within one hour from receipt of*** the removal order.

*Amendment*

2. Hosting service providers shall remove terrorist content or disable access to it ***expeditiously. The competent authority shall set a deadline for compliance with the removal order that shall be no shorter than eight hours. When setting the deadline, the competent authority shall take due account of the size and resources of the hosting service provider, in particular that SMEs may require a longer time limit to comply with the removal order. In any event, the deadline shall be no sooner than the end of the next working day for hosting service providers that have not previously been subject to a removal order and are microenterprises as defined in the Commission Recommendation 2003/361/EC, including sole traders.***
